*A small step to another world*

An aerial photograph of the Elounda Bay Palace resort. The resort is situated on a peninsula with a private beach. The beach is lined with numerous blue umbrellas and lounge chairs. A large, curved swimming pool with a curved edge is located near the beach. The resort buildings are white with flat roofs, and there are several smaller pools and a central courtyard area with trees and walkways. A sailboat is visible in the turquoise water of the bay.

Welcome to the best resort hotel in Crete – Elounda Bay Palace. Situated on the shores of a secluded bay, this award-winning, 5-star hotel is proud to be a member of the Leading Hotels of the World, an international consortium of luxury hotels. It is outstanding even among the world's most beautiful beach hotels.

With crystal-blue skies and golden sands, exclusive cottage-style accommodations grouped around stunning lagoons, romantic sunsets and an atmosphere of deep tranquility, this is Elounda, the venue we've chosen this year for our Pesach holiday package, a destination that promises luxury, relaxation, and infinite beauty.

Private Beaches

Elounda Bay is situated on the eastern coast of the island of Crete, 50 minutes from Heraklion Airport. Once a plain, sleepy little fishermen's village, Elounda has developed over the years into a dream destination for discriminating travelers, and with views like these, it's no wonder that people come and fill the hotels to capacity.
