First Class Way

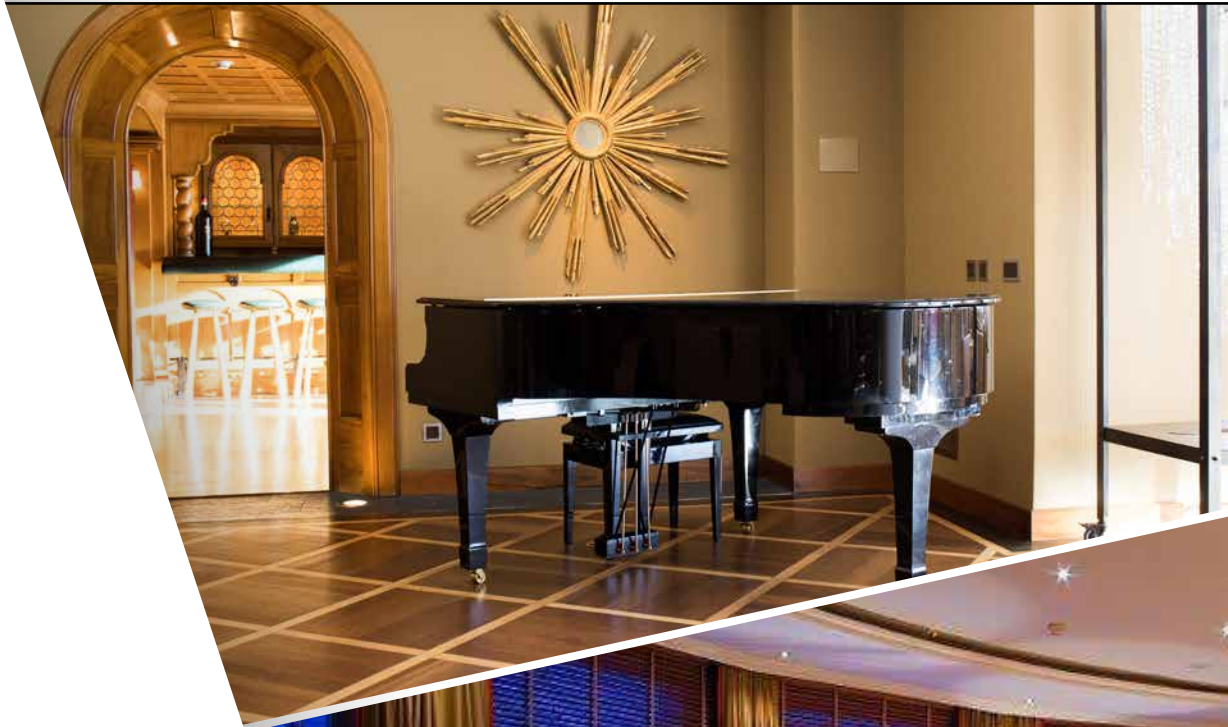

The road to Arosa winds through an incredibly beautiful view, but the easier way is to take the special train from Chur to the town center. This railway is a tourist attraction in itself, because of its steep rail and the fascinating view from its huge windows.

Walking tours

Arosa has hundreds of walkways that fit all ages, and plenty of nature walks, such as rivers and ponds, waterfalls, and unending mountaintops.

Arosa itself has two cable railways that are active through summer and are included in the guest card that you can get for a small sum. There is also public transportation all through daytime, so it's possible and recommended to tour without a private car.

Arosa lake

We can travel around Obersi lake in the center of the town, across the train station of Arosa where we can feel the pulse of the quiet Ski town. Around the lake we will find attractions for the whole family. Pedal boats, a rope park, horse driven carriages and more...

Bike trips

Switzerland is considered a heaven for bike riders and it has many bike roads – from quiet level paths that are suited for any rider to challenging mountain tracks for trained riders used to serious biking. The roads pass picturesque villages and towns, towers, springs and waterfalls, all in convenient marked bicycle tracks.

Mountain slides in Chur & Walden

The longest mountain slides in Switzerland!
The track is over 3 km long! Over 31 turns and
twists. 480 meters height difference!

We climb by cable rail to 1800 meters height,
and then switch to sleds. Enjoy the track,
the view around you. We promise you an
unforgettable experience!

Climbing & extreme

If you thought rope parks are for children- you should visit the Arosa Park and more parks in the area. There you will enjoy challenging tracks running between the trees high up in the air, rope bridges, omega swings, bungee jumping and height jumping, rope walking in the heights and through the trees in high speed. Different levels and heights. Each will give you a boost of adrenalin.

St. Moritz

An upscale vacation town the Angadine valley in Switzerland. St. Moritz is considered by many the most famous and oldest winter sport locations.

Thanks to its geographical location, the residents of St. Moritz enjoy more than 300 sunny days a year.

Chur

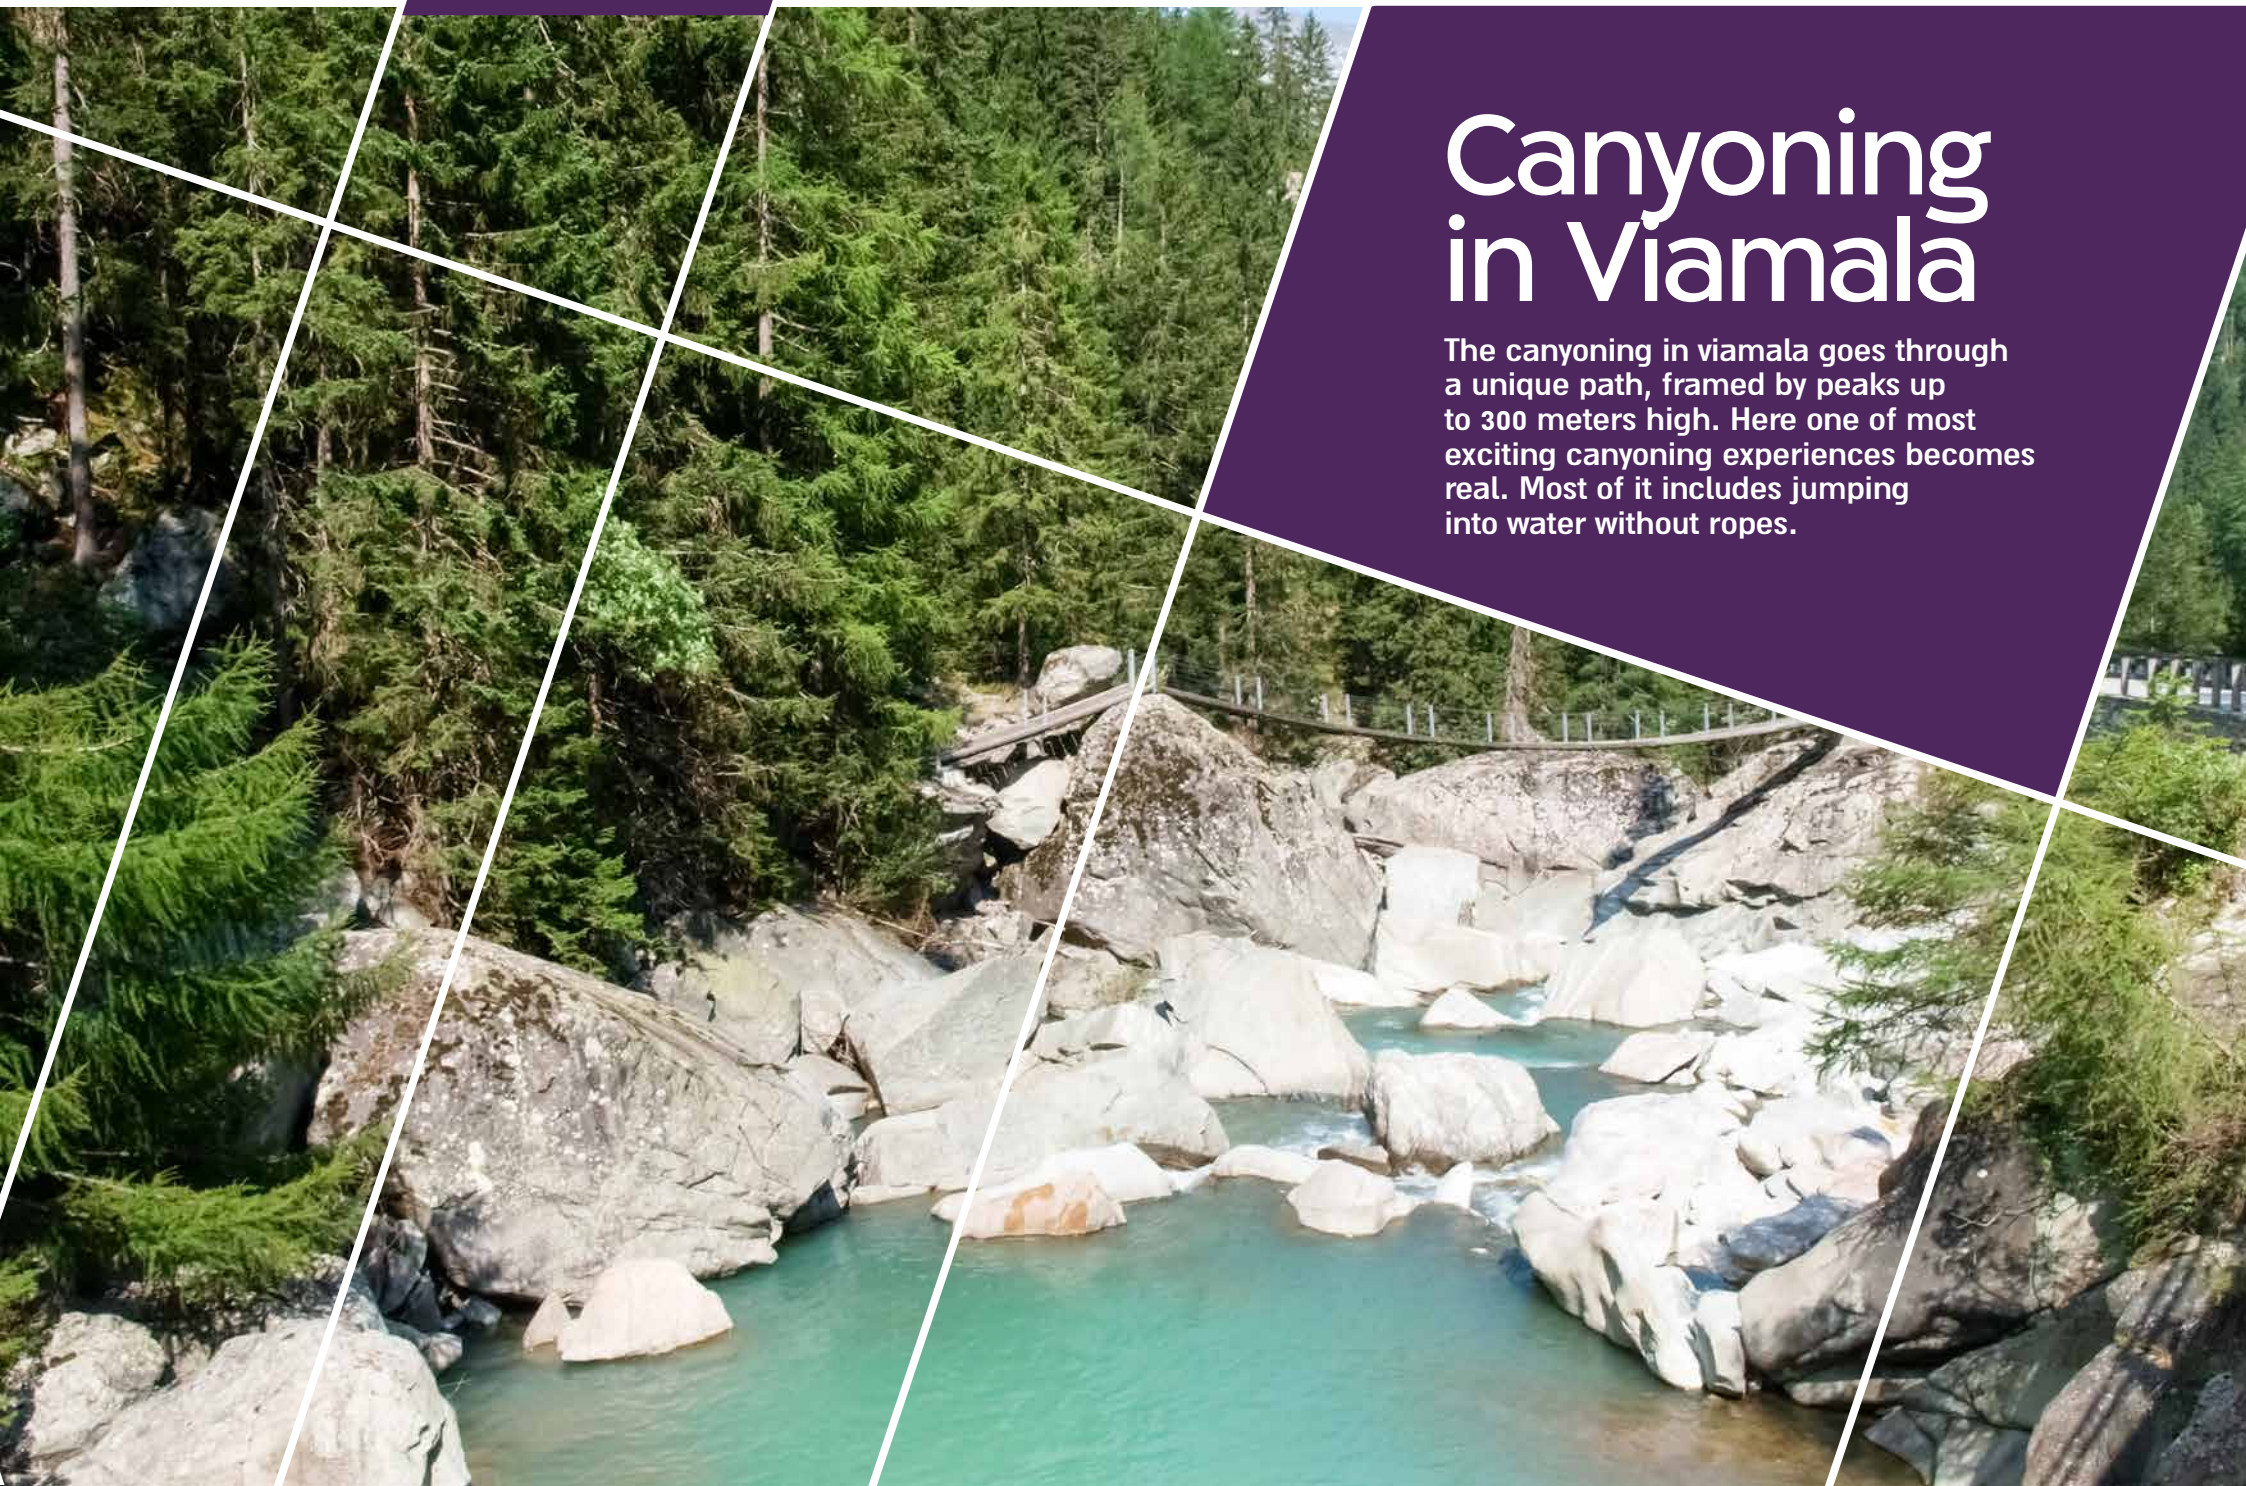

The capital of Ghowbinden canton, Chur is located on the shores of Rheine River. It is 120 km away from Zurich.

The close proximity to the mountain paths of Lukmanierpass, San berandino and Shpelighen turn it into a well-developed industrial area and a center local wine making.

Canyoning in Viamala

The canyoning in Viamala goes through a unique path, framed by peaks up to 300 meters high. Here one of most exciting canyoning experiences becomes real. Most of it includes jumping into water without ropes.
